PREFACE

We have great pleasure in publishing the third part of our Catalogue of Sanskrit and Prakrit Mss : Munirāja Śrī Puṇyavijayaji's collection.

This part lists 966 Mss. (from 6646 to 7611). First thirteen numbers (6646-6658) are on Jyotiṣ-Āyurveda and the rest are on Jyotiṣ. With this part we complete the Catalogue of Sanskrit and Prakrit Mss. of Munirāja Śrī Puṇyavijayaji's collection. Like other two parts, this one also contains catalogue followed by an exhaustive collection of excerpts from important colophons of mss. Again, it contains two sets of indices-one pertaining to the catalogue and another to the colophons. The indices included in the first set are - of the listed works, of their authors, of the authors (non-Jaina monks and laymen occurring in col. no 4 & 5), of ācāryas etc. (col. no 11), of scribes etc. (col. no. 11), of dated works (col. no. 11), of dated Mss., and of geographical names. Indices included in the second set are - of monks etc., of laymen etc, of family names etc., of kings etc., of geographical names, of literary works etc. Thus in all fourteen complete indices are given in this part. They are no doubt an aid to scholars. They will serve as a key to the treasure of historical data contained in the catalogue as well as in the excerpts from the colophons. A glance at the index of works is sufficient to show that many of them are unpublished and are expected to throw much light on aspects of Indology that have been scantily explored. Only a few important ones may be listed here: Ādināthamahākāvya by Vinayacandrasūri (13th Cent. A. D.), Kaviśikṣā-Kāvyakalpalatā-Parimalaṭikā by Amaracandrasūri (13th Cent. V. S.), Nyāyaparis'iṣṭa by Vāmadhvaja (14th Cent. V. S.), Janmasamudra (Jyotiṣ) by Naracandra Upādhyāya (15th Cent. V. S), Rājahaṁsakumāracaritracopāī (Apabhraṁśa) by Dayāratna (15th Cent. V. S.), Tājikasāra by Sumatiharṣa (16th Cent. V. S.), Jvaraparājaya by Jayaratnagaṇi (17th Cent. V. S.), Prastāravimalendu by Bihārimuni (17th Cent. V. S.), Gurjaradeśarājavaṁśāvali by Raṅgavijaya (19th Cent. V. S.), etc.

" [1]This Catalogue is compiled according to the Scheme for the Publication of the Catalogues of Mss. of the Ministry of Education, Govt. of India, New Delhi. We give below the explanations which will help the readers to understand fully the significance of the 11 Columns in which the information about a particular Ms. is given :-

1. This portion with minor changes is printed here from the preface to the part I.

Col No. 1 : The subject followed by the serial number of the Ms. is mentioned in this column. The letter E after the number of the Ms. denotes that extra information is given about the Ms. at the end of the Catalogue in the Appendix.

Col. No. 2 : In this column the accession No. of Munirāja Śri Puṇyavijayaji's Collection in the Lalbhai Dalpatbhai Bharatiya Sanskriti Vidya Mandir, Ahmedabad-9, is given. When more than one Mss. are found in a single number they are indicated in the way like 7783/3 (See page 854). It means that the particular Ms. is the third in No. 7783.

Col. No. 3 : The sign of * asterisk) printed before the title of the Ms. denotes that the book is printed. While giving the title of the ms. the text and the commentary are shown separately in case both of them are found. Where only the commentary is available, the same is indicated. As for example, Serial No. 7277 is only the commentary In this column C. denotes the commentary and CC the Super-Commentary. SK, Pr, Og, etc. in the brackets denote the languages of Commentaries. The mode of indicating the Text and the Commentary will be clear from S. No. 6658 where the second line with a long hyphen shows the commentary.

Col. No. 4 : In this column the name of the author of the text is given where it is found. If the MS. contains only the commentary the name of the commentator is given in this column.

Col. No. 5 : It contains the name of commentator. If the Ms. contains the commentary only the name of the author of the commentary is given in Col. No. 4.

Col. No. 6 : In this column P indicates that the Ms. is written on paper.

Col. No. 7 : The letter D in this column indicates that the script of the Ms. is Devanāgarī.

Col. No. 8 : In this column the first entry is of the length and width of the Ms. in centimetres. Then comes the number of folios in the Ms. which is followed by the No. of lines in a single side of the folio and the No. of letters per line. The length and width are separated by the sign x and the other entries are separated by the sign of semicolon(;).

Col. No. 9 : In this Column C means that the Ms. is complete and Inc. means that it is incomplete; G means the Granthāgra i. e. the total No. of Ślokas calculated at the rate of 32 akṣaras per Śloka.

Col. No. 10 : V means the Vikrama Saṁvat in which the Ms. was copied and the italic *C* before the V indicates that the approximate date is given by the editor.

Col. No. 11 : Relevant information about the Ms. is given in this column. Here Pub. means 'Published by'. The names of the publishers are abbreviated (See the list of Abbreviations) In this column the word tripāṭha means that the text is given in the middle of the folio and on both the up and the down sides of the text the commentary is copied. Pañcapāṭha means that the commentary is also copied in both of the margins of the folio. It indicates that there are five sections of the folio. The middle is reserved for the text, up and down portions as well as the right and the left margins are reserved for the commentary. In order to distinguish the one Ms. from another of the same name we have given the beginnings of these Mss. in this column which are indicated by Beg = Beginning.

This Catalogue of Sanskrit and Prakrit Mss. is prepared in accordance with the subject-list provided by the said Ministry. In a particular subject if the Mss. are found in more than one languages, first of all, the Sanskrit Mss. are listed which are followed by the Prakrit and the Apabhraṁśa Mss. The language of the commentaries is indicated in brackets.

The details of classification of subjects can be seen in the Contents of the catalogue. In order to have an idea of the whole classification the contents of parts I and II are also included in the beginning.

The entire expenditure for editing and publishing this volume is borne by the Ministry of Education, Govt. of India. We are very thankful to the Ministry for the same. We are glad to say that the officers of Ministry were very co-operative. Our hearty thanks are due to them as well. We have no words to thank Munirāja Śrī Puṇyavijayaji. We bow down with full reverence to this great soul who is ever ready to help us in many ways.

While preparing this Catalogue we had to take help of many. Specially I have to thank the following members of the staff of the Mss. Department of our Institute for the keen interest they have taken in preparing this Catalogue in such a short period : Pt. Ambalal P. Shah, Shri Chimanbhai Bhojok, Shri Laxmanbhai and Shri Jeshingbhai Thakor".

The fourth part of our Catalogue which lists nearly 2400 Mss. of Vijayadevasūri and Kṣāntisūri Collections is almost ready and will be published very soon.
